

230V IP65 Rope Light

20cm Cut

Applications:

Industrial and
Commercial Applications.

Product Performance

Wattage	9W/m
Colour Temperature & Stock Codes	X011 - 6000K X013 - 3000K XR011 - 6000K/50M XR013 - 3000K/50M
Operating Temperature	-20~50°C
IP Rating	IP65 (end caps and joins need to be sealed by PioLED)
Beam Angle	120°
Input Voltage	AC 220-260V
CRI	>80
Lumen Output	900lm/m
Lumen Efficiency	100 lm/w
LED Chips	Epistar 2835 75 LEDs per meter
Note:	Max. 50M per plug The lengths can be made by order or purchase 5m or 10m complete pack

Physical Characteristics

Housing Material	Highly Flexible PVC
Product Dimensions	140*60*50000
Product Weight (g)	4.5kg (50m)
Mounting Option	Optional 3M Tape
Regulatory Qualifications	
Energy Efficiency	A
Certification	CE, ISO9001, RoHS
